PAST PERFORMANCE

Lockheed Martin

Sikorsky

Amentum

Colombian Air Force

Indonesian Air Force

Segers MRO

DIFFERENTIATORS

- We are equipped to handle the logistics challenges that others won't.
- Stepping in when others fall short — resolving issues for businesses whose shipments were confiscated or delayed due to paperwork errors.
- Licensing and freight under one roof — we work directly with the Department of State, Commerce and CBP, so cargo clears without the handoffs that cause delays.

ONE TEAM, LICENCE TO DELIVERY
